

SUMMER ENGINEERING INTERN

MAY - AUGUST

\$19/HOUR

Ute Water is recruiting for one (1) summer Engineering intern who is highly motivated, organized, and hardworking. Duties will include, but are not limited to, assisting the Engineering department with construction oversight of projects involving civil, mechanical, structural, instrumentation and controls integration, reviewing engineering designs, administering pre-construction services and construction management, and preparing record drawings of constructed facilities. This position requires excellent customer service and communication skills, works outside in all weather conditions, and operates a motor vehicle and hand tools. Ute Water offers a competitive hourly wage of \$19.00 per hour. This is not a benefited position. This position is eligible for holiday pay and statutory paid sick leave. The schedule will be Monday - Friday from 8:00a.m. - 4:30p.m. but may vary depending on assignment. The duration of this position is anticipated to be three (3) months. EOE.

Applicant Must:

- Be at least 18 years of age by the start of employment.
- Be enrolled as a continuing student in a Civil Engineering or Construction Management degree program at an accredited institution.
- Follow specific instructions/directions.
- Possess a valid driver's license with a clean driving record.
- Pass a drug screen, physical, background and reference check.
